

IT'S TIME TO BE THE CHANGE.

EcoAction Recycling's Full Circle Program provides cannabis retail customers with an easy way to recycle their packaging in-store and ensures that the returned empties are given another life.

You are a green leader and your customers want to see it!

Encourage

customers to visit your store to recycle their empty cannabis packaging.

Grow

your business while being an industry leader and making a difference. Your customers care about their environmental impact.

Celebrate

your decision to recycle. Show your customers that you're helping protect the planet and that by choosing you, they are too.

An all-in-one recycling solution for your cannabis retail store.
